Exam Number: 640-802
Passing Score: 825
Your Score: 958
Grade: **Pass**

hours

The final score is based on a scale of 300 to 1000 points.

If you are a CCSI, please verify your required score on the CLP website.
allow

to the

Cisco policy requires that you wait a minimum of 180 days before retaking a passed exam (with an instructions identical exam number).

the

PLEASE READ: IMPORTANT INFORMATION

- The score information displayed on this report is

does not constitute an official score report. Cisco seeks to
CSCO11632430 the validity of exam scores by

consistency. Your score may be classified as indeterminate

at or above the passing level and Cisco cannot certify that it represents a valid measure of your ability as sampled by the exam. After review and analysis, your score will either be:

- a) Classified as "valid" and your official exam result will be reported at <http://www.pearsonvue.com/authenticate>.

You can view exam results by using the registration and validation numbers displayed in the left column within 72

of your exam session.

- b) Classified as indeterminate and you will be advised of the options for retaking the examination.

- If this exam completes a certification requirement, please

10 days for Cisco to receive your exam results. Then log in

Certification Tracking System at

<http://www.cisco.com/go/certifications/login> to view your certification status. Ensure that your name and mailing address are correct. You will receive an email with

explaining how to obtain your certificate if applicable.

- To receive or stop receiving communications, log in to the Certification Tracking System and select your preference in
